

### **REMARKS**

In the Office action, the Examiner has determined that claims directed toward two separately patentable inventions are presented in the present application, and has required applicant to elect a single invention for prosecution on the merits. The inventions identified by the Examiner are:

Group I	Claims 1-6, 12
Group II	Claims 7-11, 13, 14

In response to the restriction/election requirement, applicant hereby elects without traverse Group I, claims 1-6 & 12. The remaining claims have been cancelled. Applicant also requests consideration of new claims 15 and 16 which are product by process claims based directly on the method of claim 1. Consideration of these new claims is respectfully requested.

In light of the foregoing, it is respectfully submitted that the present application is in a condition for allowance and notice to that effect is hereby requested. If it is determined that the application is not in a condition for allowance, the Examiner is invited to initiate a telephone interview with the undersigned attorney to expedite prosecution of the present application.

If there are any additional fees resulting from this communication, please charge same to our Deposit Account No. 18-0160, our Order No. SCH-16682.

Respectfully submitted,

RANKIN, HILL & CLARK LLP
